## FACEBOOK EVENT GUIDELINES

To keep the Wyoming Office of Tourism page up-to-date and functional for followers, we have a few guidelines to observe when requesting the event be displayed on our page:

1. Events need to have a tourism focus.
2. Events need to be free and open to the public. (Note: We will consider promoting pay-to-participate women's or women's suffrage events throughout 2019 and 2020.)
3. Events must have a physical address within Wyoming state borders.
4. By posting content and photos on your event, you are confirming that all assets, both written and visual, are your property and that you have the rights to all information on the event.
5. By inviting WOT's Facebook page to co-host an event, you are allowing WOT to use the information/photos for marketing purposes beyond Facebook.

Approval/rejection of all events is at the sole discretion of the Wyoming Office of Tourism, which reserves the right to refuse adding any events. Please choose events that most impact the community to share with us. We will promote events that are *at most* eight weeks away.
